AMENDMENT G

INSERT a new PARAGRAPH to BYLAWS ARTICLE II, SECTION 2.3 entitled, "Voting Power." Said new addition, to be added on Page 2 of the Bylaws, attached

to and made a part of the Declaration, as recorded at Portage County Records, Instrument No. 200504265, is as follows:

In the case of a Living Unit or Sublot owned or held in the name of a corporation, partnership, fiduciary, or nominee, a Certificate signed by the Owner(s) will be filed with the Secretary naming the person authorized to cast votes for such Living Unit or Sublot, which Certificate will be conclusive until a subsequent substitute Certificate is filed with the Secretary. If such Certificate is not on file, the vote of such corporation, partnership, fiduciary, or nominee will not be considered nor will the presence of such Owner at a meeting be considered in determining whether the quorum requirements for such meeting have been met. If a Living Unit or Sublot is owned as tenants in common, joint tenants or tenants by the entireties, no Certificate need be filed with the Secretary naming the Person authorized to cast votes for such Living Unit, and either Person, but not both, may vote in person or by proxy and be considered in determining whether the quorum requirement has been met at any Association meeting, unless prior to such meeting either Person has notified the Secretary in writing that there is a disagreement as to who will represent their Living Unit or Sublot at the meeting, in which case the Certificate requirement set forth above will apply and, if no Certificate is filed with respect to such Living Unit or Sublot and they are unable to agree upon their ballot on any subject at any meeting, they will lose their right to vote on such subject.

Any conflict between the above modification and any other provisions of the Declaration and Bylaws will be interpreted in favor of the above amendment addressing ownership of a Sublot or Living Unit by a corporation or partnership and how these entities vote at an owners' meeting. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT H

Intentionally Left Blank - Amendment Proposal Still Pending

AMENDMENT I

MODIFY the THIRD SENTENCE in BYLAWS ARTICLE III, SECTION 3.3 entitled, "Election of Board Members; Vacancies." Said modification, to be made on Page 6 of the Bylaws, attached to and made a part of the Declaration, as recorded at Portage County Records, Instrument No. 200504265, is as follows (deleted language is crossed-out; new language is underlined):

Election of Board members will ~~shall~~ be by secret written ballot whenever requested by any member; but unless such request is made, the election may be conducted in any manner approved at such meeting.

Any conflict between the above modification and any other provisions of the Declaration and Bylaws will be interpreted in favor of the above amendment establishing a procedure for voting, including the election of Board members, as approved at the meeting. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT J

MODIFY BYLAWS ARTICLE IV, SECTION 4.1 entitled, "Election of Designation of Officers; Committees." Said modification, to be made on Page 9 of the Bylaws, attached to and made a part of the Declaration, as recorded at Portage County Records, Instrument No. 200504265, is as follows (deleted language is crossed-out; new language is underlined):

Section 4.1 Election and Designation of Officers: Committees.

At the first meeting of the Board in each year held after the annual meeting of the Owners, the Board ~~will~~ shall erect officers and designate such employees as it ~~shall~~ determines. The Board may also appoint an executive committee or special committees. The ~~Board~~ Board officers of the Association ~~will~~ shall be ~~elect~~ elect a President, Vice President, Secretary, and Treasurer, and such other officers as the Board ~~shall~~ determines, each of whom will be a member of the Board. ~~Board members may be officers but officers need not be members of the Board.~~ An officer must be an Owner, or the spouse of an Owner. ~~One person may hold more than one office.~~ Any two officers, other than that of the President, may be held by the same person, but no officer will execute, acknowledge, or verify any instrument in more than one capacity.

Any conflict between this provision and any other provisions of the Declaration and Bylaws are to be interpreted in favor of this amendment requiring officers to be Board members. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT K

In the absence of any rules and regulations, any Owner or their mortgagee, or by any representative of an Owner duly authorized, in writing, may, for reasonable purposes, during normal business hours and following a reasonable, prior written request to the Board, examine or copy the Association's Records, subject to a reasonable fee and the provisions of Chapter 5312. Within 10 days of a written request to the Board and upon payment of a reasonable fee, any Owner will be furnished a statement of their account setting forth the amount of any unpaid Assessments or other charges due and owing from such Owner.
- c. The Association will not permit examining and/or copying of any of the following from books, records, or minutes unless expressly approved by the Board:
 1. information that pertains to property-related personnel matters;
 2. communications with legal counsel or attorney work product pertaining to potential, threatened or pending

litigation or other property-related matters or other matters protected under attorney-client privilege;

3. information that pertains to contracts or transactions currently under negotiation, or information that is contained in a contract or other agreement containing confidentiality requirements and that is subject to those requirements;
4. information that relates to the enforcement of the Declaration, these Bylaws or rules and regulations against an Owner(s); or
5. information the disclosure of which is prohibited by state or federal law.

Any conflict between this provision and any other provisions of the Declaration and Bylaws are to be interpreted in favor of this amendment clarifying documents available and not available for inspection. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.
