

Tuscan Ridge Condominium Association

Handbook of Rules Regulations & Information

Date enacted: May 3, 2022
Date effective: June 1, 2022

WELCOME TO TUSCAN RIDGE CONDOMINIUM ASSOCIATION

On behalf of the Association, we welcome you to the Tuscan Ridge Condominium Association. We hope that you find Tuscan Ridge a very nice place to live. To help accomplish this, we have established a Handbook of Rules, Regulations and Information that pertains strictly to living at Tuscan Ridge in a condominium atmosphere. These common-sense Rules and Regulations take into consideration the health, safety and comfort of all of our residents. We hope you will find them reasonable and will cooperate by upholding them.

This handbook is intended to supplement, not replace, the Declaration and Bylaws; therefore, if there should be an inadvertent discrepancy between what is expressed in this handbook and the recorded documents, the Declaration and/or Bylaws shall govern. A copy of the Declaration and Bylaws and all current amendments may be obtained from the Summit County Fiscal Office Recording Department. You may also download these documents from KareCondo's website at no charge, however there would be a modest copy/administrative fee for hardcopies.

We ask that you keep this handbook handy and refer to it when necessary. If something arises that may not be covered in the handbook, please contact the Management Company.

Sincerely,
The Board of Directors
Tuscan Ridge Condominium Association

CHANNELS OF COMMUNICATION

The Board of Directors consists of three (3) individual Unit Owners elected by their fellow Unit Owners. Board members serve without compensation and are responsible for making the decisions affecting our Condominium Property. Decisions concerning the Condominium Property are made during the Board's regular meetings, which are typically held quarterly.

In between the regularly scheduled Board meetings, the Association relies on the Management Company to carry out the Board's decisions and handle all communications by and between the Unit Owners, contractors and vendors. If you have questions or concerns about the maintenance of the Condominium Property, please direct the matter to the Management Company by phone or in writing. In case of an emergency (such as a fire), you should contact the local fire/police departments.

The Board requests and appreciates your cooperation in respecting that Board members are not employees and should not be contacted directly on Association related matters outside of Board meetings. Board members are not individually responsible for resolving Association matters and can only decide on issues brought to their attention by the Management Company. The *only* exception is that you should send a sealed letter clearly marked "for the Board's eyes only" inside a mailing envelope to the Board concerning problems that you may have with the Management Company. The Management Company will not open the inner envelope and deliver it to the Board. Again, all other communications must be directed through the Management Company to assure that your concerns and questions are properly addressed and answered.

Any maintenance performed by a vendor on behalf of a Unit Owner at the Unit Owner's expense will *not* be reimbursed if that Unit Owner did not contact the Management Company and utilize proper channels in order to have the maintenance issue remedied.

Thank you for anticipated cooperation.

INTRODUCTION

The Tuscan Ridge Condominium Association is comprised of twenty (26) Condominium Units within four (4) buildings on Robinwood Lane. Situated in the City of Copley, the Condominium Property is served by the Copley Police and Fire Departments as well as the Copley branch of the U.S. Postal Service.

Rubbish is picked up weekly on Thursdays unless there is holiday, and then it would be the following day.

As a private Condominium Association, we are governed by the recorded Declaration and Bylaws. We elect our Board of Directors, which is composed of three (3) Unit Owners, each serving staggered three-year terms. The Board manages Association affairs on behalf of all Unit Owners.

The Board of Directors normally meets quarterly. Any Owner wishing to address the Board at the beginning of a board meeting must submit a written request to the Management Company at least one week prior to the meeting, providing a detailed description of the specific topic(s) the Owner wishes to address. This allows the Board the opportunity to review the request prior to the meeting and have any pertinent information available or make any needed preparations accordingly, thereby expediting the Owner's request.

The Annual Membership Meeting for the election of Board Members will be held in the last calendar quarter of each year (usually in October), on a date and hour established by the Board of Directors. Written notice of the Annual Membership Meeting will be provided at least seven (7) days prior to such meeting. However, notice is normally provided 30-60 days in advance.

KareCondo, a professional Condominium Property management firm, handles the day-to-day management operations of the Association, including the billing and collection of monthly maintenance fees, obtaining bids for services rendered to the Association (e.g., snowplowing and landscaping), monitoring these services and facilitating Unit Owners' concerns. It also acts in an advisory capacity to the Board of Directors. Any questions or inquiries must be directed to KareCondo via phone (330-688-4900), email (info@karecondo.com) or the website (www.karecondo.com).
