(2) The insurance shall be the property of and for the sole benefit of the Association and shall protect against theft, embezzlement, misappropriation, or any other unauthorized taking or loss of Association funds.

(3) The policy shall include in its definition of "employee" the manager and the managing agent of the Association's funds or provide for this inclusion by an endorsement to the policy.

(4) The policy shall name the Association as the insured party and shall include a provision requiring the issuer of the policy to provide a ten-day written notice to the Association's president or manager in the event of cancellation or substantial modification of the policy. The manager or managing agent, if any, of the Association shall be the designated agent on the policy.

(5) If there is a change in the manager or the managing agent of the Association, then within ten days of the effective start date, the new manager or managing agent shall notify the insurer of such change.

Any conflict between the above provisions and any other provisions of the Declaration and Bylaws will be interpreted in favor of the above amendments. The invalidity of any part of the above provision will not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of these amendments, only Unit owners of record at the time of the filing have standing to contest the validity of this amendment, whether on procedural, substantive, or any other grounds. Any challenge to the validity of this amendment must be brought in the court of common pleas within one year of the recording of this amendment.

AMENDMENT

The Amended and Restated Declaration of Condominium Ownership for Brook Point Village II Condominium is amended by the following:

DELETE DECLARATION ARTICLE 18 entitled, "Insurance," in its entirety.

INSERT a new DECLARATION ARTICLE 18 entitled, "Insurance and Reconstruction." Said new addition to the Declaration is:

18. Insurance and Reconstruction.

(A) Property Insurance

(1) Association Insurance. The Association will carry Property Insurance (also sometimes known as "casualty insurance" or "fire and extended insurance"), subject to a deductible as provided for in Section (A)(5) below, on: (i) the insurable improvements installed by the Declarant or the Association comprising the Common Elements, including the Limited Common Elements located outside the bounds of the Unit, (ii) structural components of the building located within the Unit, and (iii) all personal property owned by the Association and for which the Association is responsible. In general terms, the Association is responsible for having Property Insurance from the backside of the Unit's perimeter drywall out, which excludes the drywall itself (the drywall is a component of the individual Unit). This is commonly known as a "bare walls" property insurance policy.

(2) Risks to be Insured and Availability of Insurance. The Association's Property Insurance will protect against loss or damage by fire and hazards now or in the future embraced by a special form policy, and all other perils that are customarily covered by similarly constructed and situated condominium associations in Summit County, Ohio. The amount of insurance purchased must be sufficient to cover 100 percent of the then replacement value, less deductible, without deduction for depreciation, excluding excavation and foundation costs and other items normally excluded from the coverage. If the cost of 100 percent full replacement coverage, less the deductible, for Property Insurance is unreasonably expensive, as the Board determines, then in no event will the coverage be in an amount less than 90 percent of the then current replacement value, less the deductible and with exclusions as provided for in this Section.

(3) Beneficiary Interests. Subject to the provisions of Section (A)(4) below, all Association insurance is for the benefit of the Association, each of the Unit Owners, and the holders of mortgages on the Units, as their interest may appear, and will

provide for the issuance of certificates of insurance with mortgagees' endorsements to the holders of mortgages on the Units, if any.

(4) Claim Filing. The Board has the sole right and authority to file, or authorize the filing of, and adjust any and all claims for damage or destruction that are or may be covered by the Association's Property Insurance policy regardless of the person(s), including mortgagees, who may be named as an additional insured or beneficiary of the policy, as the Board determines is consistent with the intent of the Declaration and in the Association's best interests. A first mortgagee having an interest in a Unit that sustains insurable damage or destruction may, though, participate in the settlement negotiations, if any, related to the loss. The failure or refusal of the Association to process or file any claim for damage or destruction to any part of the Condominium Property under the Association's Property Insurance will not give rise to any claim against the Association or the Board. However, if no claim is filed, the Association will then self-insure the claim to the extent coverage would have been available under the Association's Property Insurance policy.

(5) Deductible. The Association's Property Insurance will include a reasonable deductible as determined by the Board. Except as provided in Section (A)(6) below, the Unit Owner is responsible for any repairs or expenses up to the amount of any applicable deductible for loss or damage to their Unit and Limited Common Elements, and the Association is responsible for all costs and other expenses pertaining to the Common Elements. If a single loss affects multiple portions of the Condominium Property, for example, one or more Units and the Common Elements, the repair costs and expenses not paid for by the Association's insurance proceeds are to be proportionately allocated in relation to the amount each party's claim bears to the total amount of the claim, with the party incurring the larger share of the loss responsible for the larger share of the deductible. The Association may assess the amount of any deductible expense attributable to any Unit(s) in accordance with this Article 18.

(6) Responsibility for Damage.

(a) Association. The Association's liability is limited to losses or damages resulting from its negligence or intentional act. If any loss or repair is due to the Association's negligence or intentional act, then, in that case, the Association is responsible for the cost of the loss or repairs, including any costs not paid due to any insurance deductible amount, to the extent not covered by any Association or Unit Owner insurance policy.

(b) Unit Owner. If any loss or repair is due to the negligence or intentional act of a Unit Owner, or anyone the Unit Owner is responsible for, such as a family member, Occupant, tenant, guest, or contractor, or originates from the Unit Owner's Unit, then, in that case, the Unit Owner is responsible for the depreciated value of the loss or repairs, including costs not paid for due to any insurance deductible amount, to the extent not paid for by (or should have been covered and paid for by) any Association or Unit Owner insurance policy.

(7) Insurance Company Rating. All policies will be written with a company licensed to do business in the State of Ohio and, unless not reasonably available to the Association, holding a rating of "A" or better by Standard & Poor's Insurance Ratings, or its present day equivalent.

(8) Mortgagee and Other Additional Insurance Requirements. Notwithstanding anything to the contrary anywhere in this Article 18, the Board has the full right and authority, but not the obligation, to purchase Property Insurance, or any other insurance policy or endorsement, that includes any and all terms, conditions, or requirements, as the Board determines is in the Association's best interest and is necessary to comply with any requirements of the Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, the designees, successors, or assigns, or any other financial institution or government agency. If the Association provides, as the Board decides, any additional insurance coverage beyond the minimum requirements contained in

Section (A)(1) above, for less than all the Unit Owners, the Association may levy a special assessment against only those Unit Owners requiring additional insurance in an amount to be determined by the Board.

(9) Additional Endorsements. The Association's Property Insurance policy is to include, as the Board determines is reasonable from time to time, a "Building Ordinance" or "Law Coverage" Endorsement or their present day equivalent, a "Demolition Cost Endorsement" or its present day equivalent, an "Increased Cost of Construction Endorsement" or its present day equivalent, and other endorsements as the Board decides.

(B) Unit Owner Insurance. Except as is insured by the Association in accordance with Section (A)(1) above, each Unit Owner will insure all portions and components of the Unit, from and including the Unit's drywall (attached to the perimeter or interior walls and ceilings of the Unit) in, including:

- (i) any wall coverings, paneling, or other finishing material applied to any wall or ceiling;
- (ii) any finishing materials applied to the floors;
- (iii) all interior Unit doors, including the frames;
- (iv) all windows, screens and doors including the frames, sashes and jambs,
- (v) all appliances, including built-in appliances, located within and serving only the Unit;
- (vi) all utility lines and components located within the Unit and serving only the Unit;
- (vii) all sinks, faucets, toilets, tubs, showers, and other fixtures located within the Unit and serving only the Unit;
- (viii) all kitchen and bathroom cabinets;

(ix) all heating, air-conditioning, and ventilating fixtures and components, including the furnace and air-conditioner compressor or unit, serving only the Unit wherever located;

(x) and, in addition, all betterments or improvements made by the Unit Owner (or a prior owner of the Owner's Unit) wherever located on the Condominium Property.

Each Unit Owner will also carry insurance on their Unit and the Unit's Limited Common Elements up to the amount of the Association's Property Insurance deductible for any components of the Unit or Unit's Limited Common Elements (or both) that the Association insures, including the perimeter doors and windows. The property insurance carried by each Unit Owner will insure against loss by fire and other hazards and perils now or hereafter embraced by a special form policy with a maximum deductible of \$1,000.00 or other higher amount as the Board may from time to time determine and provide notice of to the Unit Owners. Each Unit Owner will file a copy of the policy(ies), or other evidence of insurance as the Board may require, with the Association within 30 days of receipt of a request from the Association. Each Unit Owner may further insure the personal contents of their Unit, as well as any other personal property, which they store elsewhere on the Condominium Property. Each Unit Owner will also obtain insurance against liability for events arising or related to the Unit Owner's Unit and Limited Common Elements.

(C) Damage and Destruction.

(1) Immediately after the damage or destruction by fire or other casualty to all or any part of the Condominium Property covered by the Association's Property Insurance, as determined by the Board, the Board or its duly authorized agent may proceed with the filing and adjustment of all claims arising under the insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. The costs may include professional fees and premiums for the bonds as the Board deems necessary. Each Unit Owner is deemed to have delegated, and does delegate on acquisition of any title interest in a Unit, to the Board or its agent, their right to file for and adjust with insurance companies all losses under

the Property Insurance policies referred to in Section (A) above. In furtherance of this delegation, the Board, and its authorized agents, is and are appointed the attorney-in-fact for all Unit Owners to make proof of loss, to negotiate loss adjustment, and to acknowledge receipt for any sums received on or under any and all policies.

(2) In the event any damage to or destruction of the Common Elements renders 50 percent or more of the Units then comprised within the Condominium Property untenable, the Unit Owners may, by the vote of those entitled to exercise not less than 75 percent of the voting power, elect not to repair or restore the damaged part at a meeting that will be called within 90 days after the occurrence of the casualty. Upon the election, all of the Condominium Property will be subject to an action for sale as on partition at the suit of any Unit Owners. In the event of any sale or a sale of the Condominium Property after the election, by agreement of all Unit Owners, the net proceeds of the sale together with the net proceeds of insurance, if any, and any other indemnity arising because of the damage or destruction, will be considered as one fund and will be distributed to all Unit Owners in proportion to their respective percentages of interest in the Common Elements. No Unit Owner, however, will receive any portion of their share of the proceeds until all liens and encumbrances on their Unit have been paid, released or discharged.

(D) Restoration of Buildings.

(1) Unless Unit Owners elect not to restore the damaged property as provided for in Section (C)(2) above, following the occurrence of a casualty for which insurance proceeds are recovered, the Association will use insurance proceeds received to defray the cost of repairing and reconstructing all damage to or destruction of the Common Elements and Limited Common Elements the Association insures substantially as the Elements existed immediately before the damage or destruction. However, the Board may provide for the use of the new or alternative materials as the Board reasonably determines are in the Association's best interest. Distribution or payment of Association insurance

proceeds for the repair and reconstruction of any Unit, if any, or both, will be determined by the Board.

(2) If the cost of the repair for the damages or destruction to the Common Elements, excluding the Limited Common Elements, exceeds the amount of the insurance proceeds received, the excess may be provided for either by means of a special assessment levied by the Board against all Unit Owners or by means of an appropriation from the reserve fund or the other fund as may be established for the purpose of providing for the maintenance, repair, and replacement of the Common Elements, as the Board, in its sole discretion, may determine. Additional assessments may be made in a like manner at any time during or following the completion of any repair or reconstruction.

(3) If the cost of repairs to the Common Elements and the Limited Common Elements, is less than the amount of the insurance proceeds, the Association will retain the excess in either the reserve maintenance fund or the other fund as may be established for the purpose of providing for the maintenance, repair, and replacement of the Common Elements.

(4) If the cost of the repair for the damages or destruction to the Limited Common Elements exceeds the amount any insurance proceeds the Association receives, the excess may be provided for by means of a special assessment levied by the Board against the Unit Owner(s) having the exclusive use of the Limited Common Elements.

(5) After any damage to or destruction to components of their Unit and the Limited Common Elements the Unit Owner insures, the Unit Owner must restore their Unit and the Limited Common Elements, including utilities serving the Unit, at the Unit Owner's sole expense, to the minimum standards as the Board may at any time or from time to time, in its sole discretion, establish and will complete the restoration within eight months after the damage or destruction or sooner time as the Board determines necessary to properly repair the Common Elements and Limited Common Elements. Minimum standards may include requiring installation of drywall finished with at least

one coat of primer, basic floor coverings, and utility lines, ducts, vents, and related fixtures, and equipment.

(E) Liability Insurance and Other Insurance Coverage.

(1) The Association must insure itself, the Board, the Unit Owners, and Occupants against liability for personal or bodily injury, disease, illness, or death and for injury to or destruction of property occurring on, in or about, or arising from or relating to the Common Elements, excluding the Limited Common Elements, including water damage, legal liability, hired automobile, non-owner automobile, and off-premises employee coverage, the insurance to afford protection to a limit of not less than \$2,000,000.00 in respect to personal or bodily injury, disease, illness or death suffered by any one person, and to the limit of not less than \$2,000,000.00 in respect to any one occurrence, and to the limit of not less than \$2,000,000.00 in respect to damage to or destruction of property arising out of any one accident. All liability insurance will contain cross-liability endorsements to cover liabilities of the Unit Owners as a group to a Unit Owner. In the event the insurance effected by the Association on behalf of the Unit Owners and Occupants against liability for personal or bodily injury or property damage arising from or relating to the Common Elements will, for any reason, not fully cover any liability, the amount of any deficit will be a Common Expense to the Unit Owners, and any Unit Owner who paid all or any portion of the deficiency in an amount exceeding their proportionate share thereof based on their percentage of interest in the Common Elements will have a right of contribution for the other Unit Owners according to their respective percentages of interest in the Common Elements. The policy will not insure against liability for personal or bodily injury or property damage arising out of or relating to the individual Units.

(2) The Association must carry worker's compensation insurance as required by law.

(3) The Association must carry fidelity insurance as required by Bylaws Article II, Section 12, as amended.
